## **Join Us Saturday March 20, 2010 Smith Garden Spring Work Day**

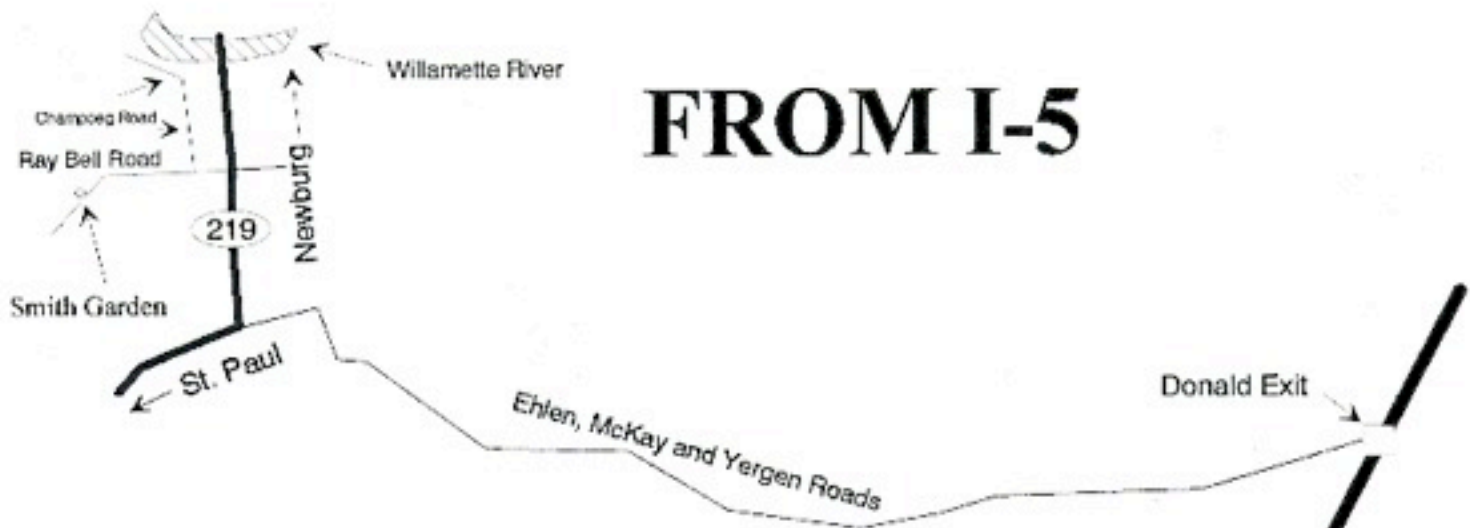

Considerable tree removal has been done in the Smith Garden. One half of the large Big Leaf Maple (*Acer macrophyllum*) has been cut down. Several fir trees adjacent to the lower path have been removed. New rhodies have been planted. The Spring work party will be on Saturday, March 20 and will have the usual format with work beginning about 8 am and

**lunch will be served.** Many hands help make light work. Please join us, even for an hour or two if that fits your schedule? Come and see the changes in the garden and enjoy the company.
